This August day at Park's Hill,
The churchmen, on a level,
Have closed the ranks and thrown the glove
To give fight to the Devil.
But then old Satan's full of tricks,
His staff's in every county
And then 'tis said he pays recruits
The biggest kind of bounty.

ONE day this week J. C. Owens & Co., loaded eighty wagons with coal.

DR. W. H. MUSSEY, of Cincinnati, was stricken with paralysis on Monday evening and died next day.

HAUCKE'S Reed and Brass Band have removed their headquarters to the Newell building on Sutton street.

ONE of the finest French plate bed room sets ever brought to this city, was sold this week, by White & Ort to J. B. Northcott, of Paris.

THE late Henry C. Campbell, of this city, was a member of the Masonic Mutual Benefit Association, and leaves to his widow as the result of his membership the sum of \$1,617.

THE names of nearly two hundred new subscribers have been added to the subscription list of the DAILY BULLETIN this week. Our circulation before the end of the year will reach two thousand.

DURING the flood last Tuesday morning the water in Grave Alley was five feet deep, and it did not subside for half an hour. Most of it came out of the sewer in the alley and the piece of sewer at the jail lot.

THE new front for George Cox & Son's store on Second street arrived this week, from the establishment of L. Shreiber & Sons, at Cincinnati. It is very neat, and is made in the best style of that well known firm.

ESQUIRE MASSIE BEASLEY, of Aberdeen, will represent the Beasley family at the Blue Licks Centennial. His uncle John was present at the battle and another uncle was killed by the Indians while out hunting to procure food for the salt-makers in 1786.

DURING the month of July the county clerk issued marriage licenses to the following colored parties, viz:

Geo. Walton and Francis Graham.
W. H. Bush and Ella Ewing.
Porter Green and Malinda Reed.
Peter Jackson and Alice Martin.
Thornton Allen and Bettie Reed.
Charles Parker and Maria Pearce.

MR. J. R. DONAVAN, representing Messrs. Geo. D. Mattingly & Co., dealers in Davies county (Ky.) whiskies is in the city. These whiskies are equal to any made in the state and have the best reputation wherever they are known. They are absolutely pure and are warranted as such. See card elsewhere.

Park's Hill.

CAMP GROUND, Aug. 3, 1882.

ED. BULLETIN:

Your scribe left Maysville at 10 o'clock p. m., on Tuesday, the 1st inst. It seemed through the day as if our way was hedged up. Travel had almost been stopped. But the sentiment of the following verse came to our aid:

Keep pushing, 'tis wiser than sitting aside,
And sighing and watching and waiting the tide.
In life's earnest battle they only prevail
Who daily march onward and never say fail.

Mr. T. J. Nolin, of your city, and Mr. John Erion, of Germantown, have been sadly viewing the K. C., and wishing in vain for a train to carry them to their destination.

After consultation we agreed to try the Maysville and Lexington Turnpike. Messrs. Brooks & Parker furnished an elegant turnout. We sped rapidly along and were at the Arlington Hotel at Blue Lick Springs by 2 a. m. A nap of two hours and we are ready to start. So we take up our journey to Carlisle thence to camp ground, which is reached in safety and comfort notwithstanding terribly damaged roads. Any one wishing to ride speedily and safely can be assured of both if he entrusts himself to Mr. J. T. Parker.

Great improvements have been made here. A new shed has been constructed, and it is most admirably adapted to the desired ends. All arrangements will be made that are necessary to insure the comfort and pleasure of those who may attend. A large force is at work on the railroad and it is hoped trains will reach here very soon.

This will doubtless be the most interesting meeting ever held on these grounds. A great array of ministerial talent has been secured. Bishop H. N. McTyeire is among the distinguished visitors who will be present. This divine has accomplished wonders in the way of building up a grand university at Nashville.

Drs. S. A. Steele, of Mississippi; W. B. Tudor, of St. Louis; J. B. West, of Tenn; E. R. Hendrix, of Mo.; and S. R. Brewer, of Louisville conference, are expected.

The singing will be under the leadership of Prof. Stevens, of Cincinnati.

The committee appointed by the Kentucky Annual Conference to control the meeting is composed of men who are all eminently qualified for the undertaking.

The situation of Park's Hill is such as to command views of beautiful scenery on the Licking river, and on account of pure air, good water, and excellent arrangements for easing and sleeping, is quite a health resort.

Few places offer such inducements as this for a sojourn of a few days. We shall try to echo the notes as the gospel trumpet sounds its call to duty.
